

# HAUNTED HOUSE BLUES - MEMPHIS MINNIE

12 Bar blues /ukes in C  
Minnie in B<sup>b</sup>

This house is haunted / I can't live here no more (x2)  
just about midnight / something's tippin' 'cross my floor

Early one morning I heard something knocking on my door  
that's how I know this house is haunted I can't live here  
no more

Late last night I heard someone on my telephone (2x)  
musta been that haunt 'cause there wasn't nobody but  
me at home

They told me take a horseshoe / hang it up over my door (2x)  
then I wouldn't be bothered with that doggone haunt no more

I got to do something / I'm tired of going from door to door  
since my man been dead / he been following me everywhere  
I go!
